*GREAT THINGS TAKE TIME TO GROW*

What better way to recognize someone special in your life **and** support the planting and care of trees than through a memorial, honorarium, special-occasion or holiday gift in their honor to The Parks Conservancy of New Hanover County. Our tree canopy is part of what makes our parks so special. From the longleaf pines at Hugh MacRae Parks to the majestic live oaks at Airlie Gardens, we welcome donations to help maintain and enhance our tree canopies.

All contributions go to the “*Great Things Take Time to Grow*” campaign for much-needed tree-planting. We will work with you to select the tree species and park. Please note that we do not install donor plaques on individual trees.

Tree Species:
